Appendix. Rail Transportability Guidance		9

1. Purpose and Scope

a. This manual provides transportability guidance for movement of the recovery vehicle, fulltracked, medium, M88 (fig. 1), also referred to as "item". This manual covers significant trans-

portability and safety considerations in the movement of the item by the various modes of transport. Included are side- and end-elevation drawings (figs. 2 and 3) and characteristics of the item.

*This manual supersedes TM 55-2320-222-10-1, 8 July 1964.

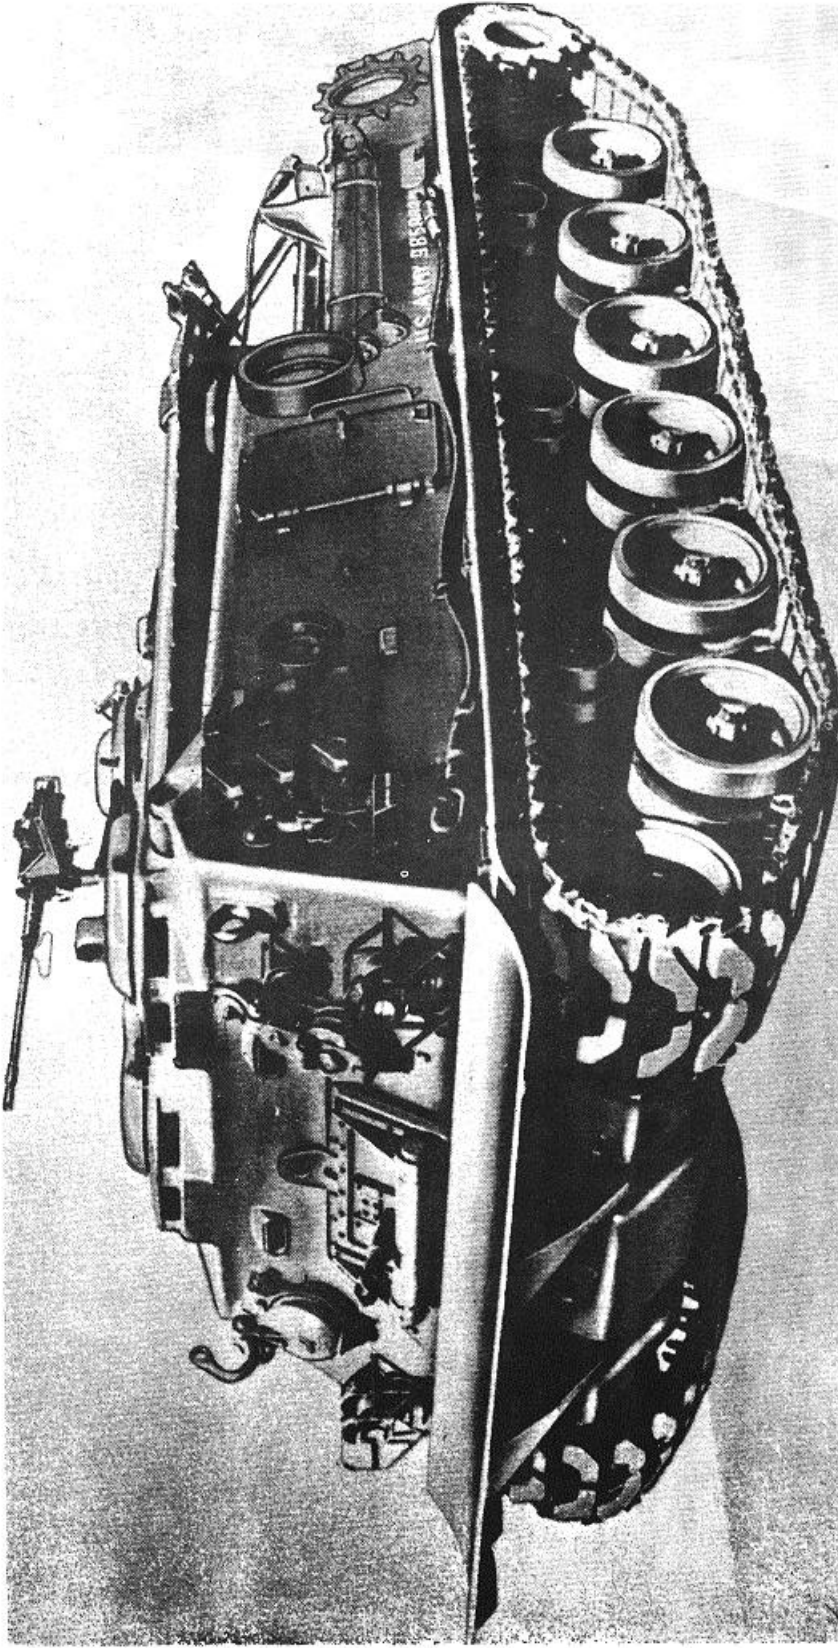

Figure 1. Recovery vehicle, full-tracked, medium, M88.
