REPORTING ERRORS AND RECOMMENDING IMPROVEMENTS

You can help improve this manual. If you find any mistake or if you know of a way to improve the procedure, please let us know. Mail your letter, DA Form 2028 (Recommended Changes to Publications and Blank Forms), to: Commander, U. S. Army Troop Support Command, ATTN: AMSTR-MMTS, 4300 Goodfellow Boulevard, St. Louis, MO 63120-1798. A reply will be furnished directly to you.

1. Purpose of Modification. The purpose of this modification is to prevent canopy flow-through in the steering orifice.

2. Priority Classification. This modification is classified as LIMITED URGENT.

a. Equipment in Use: Equipment in use will be modified as soon as possible, and no later than the scheduled completion date. Equipment not modified after the expiration of the Modification Work Order (MWO) completion date will be reported as Not Mission Capable (NMC), in accordance with applicable Army regulations.

b. Equipment in Wholesale Depot Supply or Maintenance Activities. The MWO will be accomplished on serviceable material prior to issue and/or subsequent to the scheduled completion date. Issue of unmodified material is prohibited. The MWO will be applied to unserviceable material during scheduled Depot Maintenance.

3. End Item or System to be Modified. The following end items shall be modified in accordance with the instructions contained in Paragraph 10.

Nomenclature	National Stock Number	Mfg./Hull No.
MC1-1C Parachute	1670-01-262-2359	N/A

4. Modules (Components, Assemblies, Subassemblies, Boards, and Cards) to be modified. Not applicable.

5. Part to be modified. Canopy, personnel, with net and orifice, MC1-1C.

6. Application.

a. Time Compliance Schedule. The MWO time compliance period begins on 23 July 1992. The completion date is 21 January 1993.

b. Level of Maintenance: Unit.

*This MWO supersedes MWO 10-1670-292-30-1, dated 21 January 1992.
