REPORTING OF ERRORS

You can help improve this manual. If you find any mistakes or if you know of a way to improve the procedures, please let us know. Mail your letter, DA Form 2028 (Recommended Changes to Publications and Blank Forms), or DA Form 2028-2, located in the back of this manual direct to: Commander, US Army Armament Materiel Readiness Command, ATTN: DRSAR-MAS, Rock Island, IL 61299. A reply will be furnished directly to you.

NOTE

This manual is published for the purpose of identifying an authorized commercial manual for the use of the personnel to whom this equipment is issued.

Manufactured by: Lodge & Shipley Co.,
3055 Colerain
Cincinnati, OH 45225

Procured under Contract No. DAA09-79-C-452

This technical manual is an authentication of the manufacturers' commercial literature and does not conform with the format and content specified in AR 310-3, Military Publications. This technical manual does, however, contain available information that is essential to the operation and maintenance of the equipment.

Noun: (nomenclature of repair part)

For: NSN: 3445-00-277-9100

Manufacturer: Lodge & Shipley Co.

Model:

Serial: (of end item)

Any other pertinent information such as Frame Number, Type, Dimensions, etc.

OPERATOR'S MANUAL

POWER SQUARING SHEARS

SERIES 0300

This manual was written to instruct the operator of a Power Squaring Shear in the proper care and operation of his machine. At the time of writing, the manual was completely up-to-date; however, due to continual improvement in design, it is possible that some descriptions may vary slightly from the machine delivered to you. This would imply nothing more than the fact that the machine has been improved to better fulfill your requirements.

Shears are classified as to series in connection with their constructions, features, standard equipment and general specifications. All shears in the same series are Similar in these respects. Note the series in which your particular model shear is listed as references in this manual pertain to series not model or capacity.

Series	Series	Series	Series	Series	Series
0200	0300	0400	0600	0800	1000
0204	0214	0314	0414	0614	1006
0206	0216	0404	0416	0616	1008
0208	0304	0406	0604	0806	1010
0210	0306	0408	0606	0808	1012
0212	0308	0410	0608	0810	
0310	0412	0610	0812		
	0312	0606H	0612		
	0406-H		0806-H
