CHAPTER 1

INTRODUCTION

1-1. Scope

These instructions are in accordance with various military standards governing the repair and reinforcement of wooden, fiber glass/ plastic or plastic components for small arms weapons and are published for the use of direct support maintenance personnel.

1-2. Maintenance Forms and Records

Maintenance forms, records, and reports which are to be used by maintenance personnel at all maintenance levels are listed in and prescribed by

TM 38-750, The Army Maintenance Management System (TAMMS).

1-3. Reporting of Errors

Report of errors, omissions, and recommendations for improving this publication by the individual user is encouraged. Reports should be submitted on DA Form 2028 (Recommended Changes to DA Publications) and forwarded direct to: Commanding General, U.S. Army Weapons Command, ATTN: AMSWE-SMM-P, Rock Island, Illinois 61201.
