Appendix Ninety-Two (92) Day and Annual Checklist for Diesel-Electric and Diesel-Mechanical Locomotive Cranes		1

1. Purpose. This bulletin is published for the information and guidance of the personnel concerned with the inspection and maintenance of diesel-electric and diesel-mechanical locomotive cranes.

2. Scope. Provisions of this bulletin apply to all units, organizations and activities responsible for inspection and maintenance of locomotives for which DA has maintenance responsibility.

3. Inspection and Maintenance Checklist. The inspection and maintenance checklist for diesel-electric and diesel-mechanical locomotive cranes (appendix) shall be used by qualified maintenance personnel of the using organizations and/or mobile repair shops for the ninety-two (92) day and the annual inspections. The checklist will be used in conjunction with DA Form 2407

which will be prepared, used, and processed as prescribed in TM 38-750.

4. Recommendation for Maintenance Publications Improvements. You can help to improve this manual by calling attention to errors and by recommending improvements. Your letter or DA Form 2028 (Recommended Changes to Publications and Blank Forms) should be mailed direct to: Commander, US Army Troop Support and Aviation Materiel Readiness Command, ATTNRSTS-MPSD, 4300 Goodfellow Blvd., St. Louis, MO 63120. A reply will be furnished directly to you.

APPENDIX
